Commons of Grace Senior Community Ready for Spring Move-Ins

San Antonio, TX – (February 11, 2008) With spring right around the corner, workers are busily completing the final phases of construction at Commons of Grace Senior Apartment Homes located at 9110 Tidwell, Houston, TX. Leasing for spring move-ins is well underway at this new affordable 108 unit complex reserved for individuals 55 and better.

The development boasts spacious units that include fully-equipped kitchens with microwaves, dishwashers, refrigerators and a range. Each unit has washer and dryer connections, as well as extra storage space. In addition, there are private covered patios or balconies. Commons of Grace residents will have easy access to the Metro bus line, with medical facilities and shopping in close proximity. Pets are also welcome residents.

“There’s no place like home, and that’s the way you will feel when you live at Commons of Grace,” said Jeff Condit, Vice President of Regional Property Management, The NRP Group LLC. “Our warm, friendly atmosphere is complemented by spacious one- and two-bedroom apartment homes. The residents will be able to enjoy amenities such as a picnic area with barbeque grills, swimming pool, fitness center, an activities room and a computer center,” said Condit.

Commons of Grace is being built with the cooperation and support of the city, neighborhood organizations including Grace Cathedral Church of Houston, Inc., a non-profit corporation, and the community at large.
